CLS™ Concentrated Laundry Systems

Product Code #3A

OXI-LYTE

DESCRIPTION

OXI-LYTE is a concentrated, hydrogen peroxide based laundry bleach, safe on fabrics of all type and color.

PERFORMANCE

OXI-LYTE affects stain removal of oxidizable stains; product provides concentrated sanitizing, brightening, and de-staining power when used as directed.

ADVANTAGES

- 2.5 gallon container is easy to store and dispose of
- Performs in a broader temperature range
- Infinitely soluble
- Safe on colors; leaves no residual

DIRECTIONS/HANDLING

Your Pariser representative will recommend the appropriate dosage. Typically, a dosage of 6-8 ounces/CWT will provide desired results.

Use extreme care in handling **OXI-LYTE**. Keep away from skin and eyes. If contact, flush with plenty of water for 15 minutes and call physician.
