OVEN 'N GRILL

DESCRIPTION

OVEN 'N GRILL is an efficient, quick acting and effective liquid product for heavy duty carbonized soil applications.

OVEN 'N GRILL finds direct application in ovens, grills, fat fryers, stoves area, steak platters, drains, vents, fans and food dispensers.

OVEN 'N GRILL is safe when used as directed and unlike aerosols, goes to work on the grease without fuming. **OVEN 'N GRILL** will deliver top results for all types of heavy duty cleaning.

DIRECTIONS

Apply by spray or applicator, full strength, directly to carbonized baked-on grease, let sit for 5-10 parts of minutes, rinse off with water. (For general grease removal in kitchen applications.) 5-10 Parts of **OVEN 'N GRILL** to 1 part water can be used in a spray dispenser. This product may also be dispensed through hand pump feeders.

HANDLING

DANGER: CONTAINS SODIUM HYDROXIDE. ALKALINE SOLUTION MAY CAUSE BURNS. KEEP OUT OF REACH OF CHILDREN. Do not get in eyes, on skin or clothing. Avoid breathing vapors. Keep container closed. Use with adequate ventilation. Wash thoroughly after handling.

FIRST AID

EYES - In case of contact, immediately flush with plenty of water for at least 15 minutes. Call a physician.

SKIN - In case of contact, immediately flush with plenty of water for at least 15 minutes while removing contaminated clothing. Call a physician. Wash clothing before reuse.

Do not use on painted surfaces.

PACKAGING

OVEN 'N GRILL is available in 4x1 gallon cases
